INTEREST CHARGES

Periodic Rates.

INTEREST CHARGES for Purchases (as defined below) and Cash Advances (as defined below) are calculated at a monthly periodic rate of 2.9917 %, which is equivalent to an **ANNUAL PERCENTAGE RATE ("APR") of 35.90%**. Purchases are everyday transactions on your Account related to buying goods and services on credit. A Cash Advance is a withdrawal of cash against your credit card.

Paying Interest Charges. You agree to pay us Interest Charges on your Account as described herein. Subject to any grace period for New Purchases as described in the next section, Interest Charges will be imposed beginning the date a Purchase or Cash Advance is posted to your Account and will continue to accrue until payment is posted.

How to Avoid Paying Interest Charges on New Purchases (Grace Period). If you paid the New Balance on your prior Monthly Billing Statement by the due date shown on that billing statement, we will not impose any Interest Charges on New Purchases, or any portion of a New Purchase, paid by the due date on your current Monthly Billing Statement (which will be at least 25 days from the Billing Cycle closing date). New Purchases are Purchases that first appear on your current Monthly Billing Statement. Cash Advances are subject to Interest Charges from the date the transaction is posted to your Account. Unlike with Purchases, there is no time in which you can pay the balance of Cash Advances in order to completely avoid Interest Charges on Cash Advances.

Monthly Periodic Rate and Corresponding ANNUAL PERCENTAGE RATE (APR). Interest Charges for Purchases and Cash Advances are calculated at a monthly periodic rate of 2.9917% which is a corresponding **ANNUAL PERCENTAGE RATE (APR)** of 35.90% We calculate the monthly periodic rate by dividing the APR by 12 months.

How We Calculate Interest Charges – We use the Average Daily Balance Method (including New Purchases) to calculate the Interest Charges for each Billing Cycle. We calculate the Interest Charges separately on the Purchase balance and the Cash Advance balance that is subject to an APR. We figure the Interest Charges on the Purchase balance and Cash Advance balance by multiplying the **Average Daily Balance** for each balance by the **Monthly Periodic Rate** that applies to that balance.

How We Calculate Average Daily Balance for Purchases – We calculate the Average Daily Balance on Purchases as follows: (1) we take the previous day's balance of Purchases (including unpaid Interest Charges and Fees and Other Charges), (2) add any New Purchases (including Fees and Other Charges) as of the date of transaction and (3) subtract the applicable portion of any payments or credits as of the transaction date. This gives us the balance for Purchases. Then we add all of these daily balances for the Billing Cycle together and divide by the number of days in the Billing Cycle. This gives us the Average Daily Balance for Purchases. If a Daily Balance is negative, we treat it as zero.

How We Calculate Average Daily Balance for Cash Advances - We calculate the Average Daily Balance on Cash Advances as follows: (1) we take the previous day's balance of Cash Advances (including unpaid Interest Charges and Fees and Other Charges), (2) add new Cash Advances (including Fees and Other Charges) to the Cash Advance balance, and (3) subtract any payments or credits as of the transaction date. This gives us the balance for Cash Advances. Then we add all of these daily balances for the Billing Cycle together and divide by the number of days in the Billing Cycle. This gives us the Average Daily Balance for Cash Advances. If a Daily Balance is negative, we treat it as zero.

We figure the Average Daily Balance (shown as the Balance Subject to Interest Rate on your Monthly Billing Statement) separately for Purchases and Cash Advances for each Billing Cycle.

In the event a payment is returned in any of the six (6) Billing Cycles after the initial returned payment, you will be charged \$41 or the amount of the required Minimum Payment, whichever is less. The charge may be imposed even if we elect to re-present the item and it is paid upon our re-presentation. Limit Increase after your thirteenth (13th) Monthly Billing Statement. If you qualify for and accept to receive a Credit Limit Increase, we may impose a fee for the Credit Limit Increase ("Credit Limit Increase Fee") upon approval. The amount of the Credit Limit Increase Fee will be disclosed to you at the time you request the Credit Limit Increase. Subject to Applicable Law, we reserve the right to decline your request for a Credit Limit Increase for any reason. YOUR BILLING RIGHTS
KEEP THIS NOTICE FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Monthly Billing Statement.

If you think there is an error on your Monthly Billing Statement, write to us at:

Cardholder Services
P.O. Box 3220
Buffalo, NY 14240-3220

In your letter, give us the following information:

- Account information: Your name and Account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your Monthly Billing Statement, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your Monthly Billing Statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter? When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the Monthly Billing Statement is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your Monthly Billing Statement, and we may continue to charge you Interest Charges on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your Account balance.
- We can apply any unpaid amount against your Credit Limit.

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any Interest Charges, Fees or Other Charges related to that amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question, along with applicable Interest Charges, Fees and Other Charges. We will send you a Monthly Billing Statement of the amount you owe

and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your Monthly Billing Statement is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your Monthly Billing Statement. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your Monthly Billing Statement is correct.

Your Rights if You Are Dissatisfied With Your Credit Card Purchases.

If you are dissatisfied with the goods or services that you have purchased with your Card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the Purchase.

To use this right, all of the following must be true:

1. The Purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your Purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your Card for the Purchase. Purchases made with Cash Advances from an ATM or with a check that accesses your Account do not qualify.
3. You must not yet have fully paid for the Purchase.

If all of the criteria above are met and you are still dissatisfied with the Purchase, contact us *in writing* at:

Cardholder Services
P.O. Box 3220
Buffalo, NY 14240-3220

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
